

Mr Tune Vehicle Inspections – Sydney's Most Comprehensive Vehicle Inspection Service

Buying a car? Don't risk buying a lemon!

MR TUNE VEHICLE INSPECTIONS provides the most complete Mobile Vehicle Inspection service available in our industry, not just ticks and checks! Whether you are buying a car, selling, or wanting an end of warranty inspection, you can rest assured that with MR TUNE VEHICLE INSPECTIONS you get the complete picture in a language you can understand.

Buying a used car today can get you into all sorts of troubles. Unfortunately the world is riddled today with dishonest car sellers who will use every trick in the book to disguise a bomb into a seemingly good and reliable vehicle. Fortunately for you, there is MR TUNE VEHICLE INSPECTIONS.

MR TUNE VEHICLE INSPECTIONS are completely independent and highly dedicated to providing the most complete and comprehensive mobile vehicle inspections at an affordable price. They offer Pre Purchase, Pre Sale and End of warranty inspections throughout the Sydney Metro area.

They also specialise in dealing with interstate customers who are looking to purchase a vehicle from Sydney. MR TUNE VEHICLE INSPECTIONS will take the hassles out of buying a good interstate car. So whether you're from Melbourne, Brisbane, Adelaide, Perth, Canberra, Tasmania, Western Australia, Tasmania, NT, MR TUNE can help.

The Vehicle Inspection service is designed to take the stress and hassle of purchasing a car and knowing you have not bought a dud that is going to end up being unreliable and a financial nightmare. Once you have made a booking, we organise and arrange the entire process with the seller, carry out an extremely thorough inspection and prepare and deliver your highly detailed report via fax or email.

MR TUNE's inspectors are fully qualified and licensed motor mechanics who possess the latest tools to make sure every vehicle inspection is carried out perfectly. The staff is extremely friendly and helpful, and will always do whatever they can to help and guide you in the process of purchasing a car, making sure you make that right decision.

Each major component of the car is thoroughly inspected and reported on in a clear and precise manner. We don't just tick "good" or "bad" boxes! We clearly state our findings, and being qualified licensed mechanics we can diagnose and report any potential future problems that the component may have. MR TUNE VEHICLE INSPECTIONS truly believes that they provide the most valuable and comprehensive vehicle inspection reports on the market. Inspection includes; Engine & Mechanical, Body & Paint, Interior & Components, Under Body, Air Condition, Cooling System, Steering & Suspension, Brake, Transmission, Wheels & Tyres.
