

## Looking for a great luxury villa in Jamaica for your upcoming holiday?

Imagine yourself in a luxurious villa, bathing in the warmth of a Caribbean sun, sipping away at a drink, smelling the ocean breeze and hearing the waves. Well, it's time you realized that certain places under the sun can possibly outdo the human imagination and Ocho Rios on the north coast of Jamaica is one such place which is all that you might have ever imagined and much, much more. And enhancing your Ocho Rios experience would be the scintillating Jamaicaoceanview villa.

It's a Jamaican luxury villa both sprawling and opulent justifying all of its 8000 sq ft, with 5 bedrooms and 4.5 bathrooms. Our Jamaican villa is located 2 miles east of the resort town of Ocho Rios. The villa is a favorite with couples and families and is just a stone's throw away from the ocean front. Our magnificent Jamaican villa boasts state of the art facilities like air conditioning, clock-radio-DVD player, satellite TV, Suite Concierge Service, chef, housekeeper and lots more. We also offer dining options keeping individual taste in mind.

In retrospect, our Jamaican villa experience is an opportunity for you to relax and rejuvenate your body, mind and spirit in a tranquil setting with all of the amenities of a world-class hotel, but none of the restraints or interruptions. Our fully staffed Jamaican villa offers the ultimate in casual elegant tropical living. Your comfort and pleasure is our only mission.
