

## Reinhart Trailers – Talk To The Car Hauler Experts At Reinhart Trailers

After years of dedication, the goal of restoring an antique car has finally reached its apex: a shiny, finished product. The paint gleams, the chrome shines, the glass is pristine and the engine hums. She's dying to compete and be admired, but the annual Rally Sport Ontario is based in Northern Ontario this year. What is the final step in a restoration process? Acquiring a car trailer to accompany a restored beauty.

Reinhart Trailers, a fifteen-year veteran of the trailer retail industry in the Toronto area, has several solutions for the challenge of getting a prized vehicle from one place to another. They have a variety of car trailers in stock at their location in Caledon, each with its own unique capacity and attributes. Experts in their field, the staff at Reinhart Trailers are skilled at finding the right trailer to fit the needs of each customer.

Moritz International, an American trailer manufacturer, produces two sizes of open car hauling trailers to meet their customers' needs. As any knowledgeable employee of Reinhart Trailers will tell you, the Moritz UCH Series Flat bed car trailer is ideal for vehicle transportation. With an overall deck of 18 or 20 foot including beaver tail, LED lights with sealed modular wiring, torsion axles with 4 wheel electric brakes, two EZ Load ramps, a two-inch wood floor and electric breakaway, all a customer needs to decide is what color will best complement the cargo.

Slightly more demure is the Car Mate Open Car trailer. Available in 14-20 foot lengths including beaver tail, this car hauler also has electric brakes on all 4 wheels can be available with either wood or steel flooring.

Not to be outdone by their competitors, Aluma also produces an exceptional car trailer. Available in lengths from twelve to twenty two feet, this solidly built car hauler has an A-frame tongue, removable aluminum fenders, two six-foot aluminum ramps with storage, an extruded aluminum floor, front retaining rail and much more. A shiny darling of a car hauler, this trailer can reflect the brightest light on its precious cargo.

Reinhart Trailers also carries a full line of enclosed car haulers for sale. The enclosed bumper pull car haulers from Car Mate range from 16' to 32' long and are available in 96" and 100" width variants. Moreover, with the 3' beaver tail drop, these enclosed car haulers are ideal for transporting anything with wheels and more. Also available are gooseneck car haulers, ranging from 16' to 53' long.

With over fifteen years experience in the trailer industry, Reinhart Trailers is proud to present their customers with extremely knowledgeable and enthusiastic employees. For fifteen years Reinhart Trailers has been under the same ownership and management. This pride of ownership and service shows with their exceptional customer service and commitment to customer satisfaction.
