

Travel Nurse

'Advantage RN' are a well known company specializing in health care professional staffing and placements, offering travel nurse positions across the United States and other locations and making the connection between health care institutions and professional registered nurses. We also invite you as a health care institution to enjoy our friendly and conscientious service to source your staff with us, or if you are an individual, to join our portfolio as one of the registered nurses or health care professionals seeking placement with us.

As a travel nurse you are able to accept short or long term positions nationally or worldwide with 'Advantage RN' thus allowing you to enjoy a diversity of assignments that also provide great package remuneration.

Registered travel nurse staffs also have the chance to put their nursing skills to the test and at the same time study for advancement of their careers in different nursing practices. Travel nurses also have the opportunity to work alongside many different professional surgeons and specialists and thus gain extensive knowledge in these fields. 'Advantage RN' travel nurse jobs offer excellent combinations of remuneration and benefits applicable to them in this field.

Travel nurses are in huge demand for critical care positions and placements are available on cruise ships, oil rigs, remote access areas, and rural missions so there is a variety of choice for everyone.

Either travel nurses can enjoy long-term nursing assignments or short-term positions and 'Advantage RN' can discuss with you a travel nurse job to suit your needs. We are dedicated to providing health care institutions with well-trained and qualified licensed personnel, and in turn, we take care of our registered nursing staff on our listings. All our registered nurses are well educated and we cater for travel nurse jobs in a variety of clinical positions such as critical care, home nursing care, surgical assistants, general nursing duties, medical and pharmaceutical nurses and many others. Personnel with us also have the advantage of studying for further advancement in order to meet the particular requirement of a specific travel nurse job. Our registered nursing staff is adaptable, flexible and has the ability to easily make friends and get along with different cultures of people.
