

Buy a house in Australia

Australia is a unique location for so many reasons. Many fall in love with the hundreds of kilometers of sandy beaches. Others enjoy the relaxed, laid back lifestyle. Some come for the weather after all Australia is warm all year round. Finally others decide to call Australia home just because of the pristine environment and safety. As a result thousands of immigrants travel to Australia everyday to live the dream.

As a result there has never been a more attractive time to invest in Australia. Property values are at a wonderful level and the availability for finance has improved dramatically.

Intellichoice is experienced and dedicated to help people buy houses in Australia. Our services are specifically tailored for people who are residing in another country and who want an investment or a place to live.

We have the data to show you trends in the market place so you buy a house in a location that will have good sustained growth.

We understand the processes and legalities involved in the acquisition of properties and we can organize finance to provide a simple yet complete package that will provide a high level of return for many years.

We can also create financial statements so you can make an informed decision on the viability of the property.

Intellichoice can structure a huge range of lending options from all of the financial institutions in Australia to ensure you receive the most competitive, cost effect product that will suit your needs.

Sadly there are a number of unscrupulous organizations who tout similar services and they have created some uncertainty with people who are interested in investing.

Intellichoice has a number of industry certifications including: the Mortgage & Finance Association of Australia (MFAA) and the Credit Ombudsman Service Limited (COSL). We have been providing assistance to immigrants from the UK for over 10 years now so you can feel comfortable in the knowledge that we are experienced and qualified.

Best of all our services are often covered by the financial institution that will fund the package so we can offer your expert advice for free! It makes sense to contact us today and find out if we can help to make your lifestyle and financial dreams a reality.
